

CITY OF GETTYSBURG, SOUTH DAKOTA

The following requirements must be met by the applicant, with the signature of the owner/contractor, before such work will be allowed.

All requirements as set in Chapter 12.12 entitled "EXCAVATIONS" of the Gettysburg Municipal Code Book will be adhered to by the applicant. It is the responsibility of the applicant, after receiving this notice, to be aware of the Code which defines all requirements and penalties. Permission will be granted only after all proper signatures and deposits are made as stated within the Code.

(Please indicate names of streets, position of lot, and position of excavation to be done.)
